### REFLECTION: Problems Encountered This Period

This period was pretty relaxing. The only problem was that we didn't get the charter suggestions from Dr. Huber. I think this was due to a technical problem beyond our control.

### REFLECTION: Lessons Learned This Period (continue on additional page, if necessary)

I learned a lot from the Senior Design II presentations, though that doesn't directly relate to issues that we encountered and resolved. This week has been pretty straightforward with regard to our responsibilities and we handled them well.
